[About the FCI judges directory](#)

Any judge listed in the FCI judges Directory is under the exclusive responsibility of the National Canine Organization (NCO) of the **Country** where he/she has his/her legal residence (referred to as **NCO in charge of the judge**). A list of NCO members and contract partners of the FCI is available under [Members](#). The members and contract partners are divided into 3 FCI Sections (referred to as **Section**): [The Americas & Caribbean](#) - [Europe](#) - [Asia, Africa & Oceania](#).

The FCI Judges Directory includes FCI international judges for all **Disciplines**, not only FCI show judges.

An **advanced search tool** for [show judges](#) (search for FCI breed and group judges, BIS judges, FCI all-breed national and international judges and judges of a breed not officially recognized by the FCI) is available, provided that the discipline **Shows** has been previously selected.
