FOR DOGS WORLDWIDE

What is the FCI Youth

A global initiative that will encourage and develop the involvement of youths in educational, sporting and practical Cynological initiatives

A worldwide initiative to attract young people from around the world to be part of the FCI culture and international community

A working group that will develop reference contents and support FCI initiatives for children, teenagers, young adults and young professionals in FCI member National Canine Organisations

Who are we?

Asia & the Pacific Section

Jimmie Wu China

FCI Monitors

Dinky Santos Member of the FCI General Committee
President of the FCI Asian and Pacific Section (APAC)

Marie Luna Durán FCI Marketing and Public Relations
Manager

Young people

Flexible

Open to new opportunities and support

Willing to learn

Enthusiastic

Main Purposes

To keep youths involved in Cynological modalities

Educate youths in taking proper care and training of dogs

Develop responsible dog ownership/tutoring

Offer quality and meaningful pastime opportunities with dogs

Involve a new generation with the FCI

Contribute towards the development of cynological welfare and culture around the world

Mission

To develop and share FCI initiatives towards the youth community and to continue to be a reliable source of reference for all FCI Member National Canine Organisations, and all young dog lovers worldwide

Vision

To maintain and support the bond between young people and dogs, by encouraging a sustainable commitment to Cynological activities around the World, through a local and global approach
